Sub: - Regarding verification of compliance of the establishment uploaded on Principal Employer Portal.

Sir,

You are aware that as a part of e-governance initiatives of EPFO Principal Employer Portal has been developed on which principal employers awarding contracts can register the details of their contractors which is reflected in the domain of concerned Regional Office.

2. It, then, becomes, imperative for the concerned Regional Office to ensure proper compliance from the concerned contractors as per the laid down instructions.

3. However on perusal of the information on the principal employer portal it is seen that the details of many contractors are pending for such verification.

4. It is, therefore, reiterated that verification for securing compliance from the concerned establishments including contractor establishments reflected on principal employer portal remains the duty of concerned Regional Provident Fund Commissioners (Officers-in-charge).

5. All concerned are, therefore, requested to ensure that contractors whose details are uploaded on principal employer portal are making compliance properly.

Yours faithfully,

(S.C. Goyal)
